We hired Johnny Bravo for our daughter's 15th birthday party. We had about 30-40 kids and about 20 adults at the event, and everybody enjoyed Johnny's mixes. His music got the kids up and dancing and moving the entire event! The next day the kids all said how sore they were because it was a non-stop dance! That says something about Johnny's ability to gauge his audience and tailor his mixes to the mood. Not to be too cheezy, but all I can say is Bravo Johnny, great performance!

DJ Johnny Bravo is great! We booked him for our wedding at The Headliners Club and he was the perfect DJ. He was set up and started right on time, and finished right on time. He listened to our likes and dislikes in music, and created a playlist that incorporated everything we asked for. His announcements during the evening were perfect. His energy was awesome - he matched the energy of our group. When planning an event, especially a wedding, you need to work with professionals who make the process easy for you and provide the service you want - that is what DJ Johnny Bravo does. I highly recommend him!
